Neuer Markt, Alexanderplatz
Berlin, Germany

The TV tower next to Neptunbrunnen fountain on Alexanderplatz in Berlin is a magnet for visitors to the city. Greater sojourn quality in the nearby gardens is to be provided by the Olivio Candelabra with its white and uniform light. Its floral design lines the borders of the footpaths, inviting visitors to stroll and pass the time here.

project	Neuer Markt
client	District administration Berlin-Mitte
landscape architect	Levin Monsigny Landschaftsarchitekten, Berlin

Olivio

The distinctive Olivio family is a modern, striking, multifunctional urban lighting system, available in three different sizes with interchangeable reflectors for street and accent lighting applications. This flexible lighting system can be equipped with optical accessories such as honeycomb and ring louvres, coloured and elongation lenses offering further effects and control. Olivio Sistema, Candelabra and Floracion poles and brackets provide total freedom of design and flexible planning.
